Subject: Dimock Action Memo

Dana T.:

I've just reviewed the Action Memo and over the course of the day will complete review of the other documents also forwarded to us (ie, various accompanying Admin Record docs, Implementation related docs and the communications related docs also obtained yesterday). Should we send a note to Dennis today about scheduling a call for tomorrow to review and discuss our feedback ? If you agree, I can send him a note to get the wheels in motion to coordinate the call. Not sure about your schedule, but 11:00 am or 12:00 noon would work best for me.

Call if you want to discuss.

Thanks,

Tito
